

# Whisper

Rich James Butt

## Intro

| Csus2 /// | Gsus2 /// | x2

## Verse 1

Csus2                      Gsus2  
When first light burst to life  
Csus2                      Gsus2  
Early days turned into nights  
Csus2                      Gsus2  
You were right there from the start  
Csus2                      Gsus2  
Knowing every mystery of God

## Verse 2

You hovered with intent  
To speak and form the earth You meant to bless  
From dust You breathed life  
Your image etched inside

## Chorus

                    G/B              Csus2  
Whisper Your words of wisdom  
                    G  
Chaos finds relief  
                    G/B              Csus2  
Speak and our hearts will listen  
    G  
To the rhythms of Your peace

## Verse 3

You guide to see us thrive  
And teach us how to love and live like Christ  
You illuminate our dark  
As You show us who You are

## Chorus

## Bridge

                    C/E                      D/F#  
Your word breathed into our hearts  
                    G/B                      C/G  
Like light bursting through a sea of dark  
                    C/E                      D/F#  
We find meaning, hope and joy  
    G  
In Your voice

## Chorus 2

                                    Em              Bm  
Whisper Your words of wisdom  
                                    C  
Chaos finds relief  
                                    Em              Bm  
Speak and our hearts will listen  
    C  
To the rhythms of Your peace
